

15227

Clarinet stand

This easy to use clarinet stand is great for rehearsals, stage appearances, to elegantly display the instrument, or simply as a method of storing until used again. Thanks to the stand's height, even microphoned clarinets are easy to "park and rdquo;. The stand folds compactly for ease of transport. The sturdy base and large floor protectors make this stand extremely stable.

Product variant

15227-000-55 - black
