

19780

## Inclinable Stand Adapter

Using this stand adapter, loud speakers or sound columns can be mounted on speaker stands or wall mounts without the need for an incorporated flange. The mount is suitable for stands with a section diameter of 35 mm. The adapter can be tilted to 30° and adjusted to any height using the clamping screw. Assembly is easy as the swivel mount is first attached to the stand and then slotted into the bracket.

### Product variant

19780-000-55 - black

### Data
