Attractive orchestra light with 6 extra bright, energy-efficient LEDs. Delivery includes 3 AAA batteries, a power supply and a carrying case. The light has a switch with two brightness levels. The light cone is limited to the music sheet by using an anti-glare shield and can be positioned according to one's individual needs using the flexible gooseneck. An extra-strong clip provides a secure grip on music stands. With the magnet holder 12256 it can be used as a stand light.
