

14080/14081

## Piano Bench »Uplift«

This advanced piano bench offers the pianist pure comfort. Built-in pneumatic springs allow the height of the bench to be adjusted while sitting comfortably. Your preferred sitting position can be found in no time at all with the easy-to-use adjustment handle. The compact steel construction and large round floor protectors make this attractively designed bench extremely stable. Excellent sitting comfort is achieved by a wear-resistant imitation leather seat covering for enjoyable and relaxed piano playing.

### Product variant

14080-000-55 - black leather
